

New Testament Challenge Syllabus Bear Valley 2009

Welcome to the Summer 2009 New Testament Challenge. Groups will meet weekly beginning the week of June 14.

Have you actually ever read the New Testament? Most people haven't. This group is your big chance to read it through and learn more about your faith than ever before!

This summer you and your group will have the opportunity to read through the New Testament in its entirety. Every day you will be reading several chapters from the New Testament (see the reading plan below). Then, on Sundays at Bear Valley the teaching will connect to the readings that you discuss in your group that week.

Be sure to keep up with your reading and come to the group prepared to participate in discussion each week. If you do, God will change your life!

So, strap in! Join the entire Bear Valley Family on this spiritual adventure as we explore the New Testament together!
